The HAZMAT Team Challenge consists of ten skill stations that will rotate every thirty minutes. Teams will consist of 4 members, but only 2 member will complete in each of the stations. All stations will be judged and timed.

Each team will have a Team Guide who will function as the official timer. Each station will be judged by a member of the 51st Civil Support Team.

Team members will be dressed out in splash protection for all stations. Some stations will require the team to use canister mask respirators.

Team members will need to bring their own boots for the Challenge. All other equipment will be provided.

Team Captains will draw for starting positions at the orientation on Sunday, October 8th at 8:00 a.m.
